## Shared Responsibilities

### School

We are committed to provide a safe, supportive and nurturing learning environment where academic excellence is achieved. The learning environment is risk-free, inviting to all students and parents. The staff commits to communicate on a regular basis. Parents are invited to complete concern and suggestion forms as needed for school-wide improvements

### Parents

Learning is a partnership with parents, students, and staff. Parents support their child's learning by assisting with homework, reading together, communicating with the child's teacher, and reviewing the school agenda notebooks on a daily basis. Parents are invited and expected to participate on school teams and special events.

## Transportation Policy

To meet the safety of most students, Pastor students are provided bus transportation to and from school. Transportation is provided to students that live across any major/congested major thoroughway, canals, or live more than one mile from school. Partnerships have been formed with Boys and Girls Club and other child care centers where our buses may drop off students of working parents to pick up after school hours.

The graph includes the percentage of students that met or exceeded the standards. NC = Not Calculated. Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten (10) students have been replaced with NC.

The table below shows the schools that met or did not meet based on federal AYP requirements. To meet AYP for the year, all applicable goals must be met.

#### Glossary:

##### Adequate Yearly Progress

A measure of school performance as mandated by the federal government in the No Child Left Behind. AYP holds schools accountable for the performance of subgroups, as well as all students. AYP measures school toward the goal of having 100 percent of all students proficient in state standards for reading and math by 2013-14.

##### Met Percent Tested:

The school or district tested at least ninety-five percent (95%) of its students enrolled at the time of the test administration. Schools and districts must test at least 95 percent of their student in order to make AYP.

##### Met Test Objectives:

The percentage of students in the school or district that demonstrate proficiency in state standards by passing the AIMS test meets or exceeds the goal for that year. No Child Left Behind requires that Arizona set goals, called Annual Measurable Objectives, for the percentage of students passing AIMS for all public schools and districts in the state. The goals increase over time toward 100 percent passing by 2014. To meet the test objectives, every subgroup in the school must meet the Annual Measurable Objective.

##### Met Attendance Rate:

The school or district had an attendance rate of at least 90 percent over the first 100 days of the academic year. Schools and districts not serving high school students must have an attendance rate of 90 percent, or show a one-percentage-point improvement over the previous year, in order to make AYP.

##### Met Graduation Rate:

The school or district had a four-year graduation rate of 71 percent or greater. School or districts granting a high school diploma must have a graduation rate of 71 percent, or show a one-percentage-point improvement over the previous year, in order to make AYP.

Starting in Spring 2004-05, students were tested using AIMS DPA and TerraNova. AIMS DPA is a statewide assessment that is both standards-based, measuring student's knowledge against the Arizona Academic Standards, and norm-referenced, comparing student knowledge against students nationwide. TerraNova was administered to all students in grades 2 and 9. It is important to note the TerraNova/AIMS DPA and Stanford 9 test results are not comparable. For more information on the TerraNova and AIMS DPA, see our website at [www.ade.az.gov/standards/](http://www.ade.az.gov/standards/)

The Stanford 9 is a standardized, norm-referenced test. Since 1999, all students in grades 2 through 9 have been tested in Reading, Mathematics and Language. The percentage (%) of eligible students tested and the school's percentile ranks are listed above. State average percentile ranks for Arizona and District are provided for comparison. Note that the average percentile ranks for the nation are 50 for all content areas in all grades. Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten students have been replaced with NC (not calculated) to protect student privacy. Some columns contain dashes (-) to indicate "no data available."

## Indicators of Success Based on Historical Data from 2005-06

## School Achievements/Accomplishments 2005-06

- ü Our students scores as measured in the AIM/TERRA NOVA improved significantly last year over the previous year. This assisted our school in making AYP for the school year 2004-2005.
- ü Pastor School was the recipient of a significant grant from 'Operation QT, INC.' This grant allowed many of our students to participate in various after school activities and field trips they would not have otherwise.
- ü Pastor met it's goal of increasing student's math skills and abilities. 42% of students passed the AIMS test.
- ü Pastor Elementary did meet their goal of increasing student literacy in reading and writing with a huge improvement in the 5th and 8th grades in reading and writing improved across all grade levels.

## Student Activity Rates for School Year 2005-06

## School Safety

## School-level Efforts to Ensure a Safe and Healthy Learning Environment

Pastor School has implemented a schoolwide curriculum based conflict resolution program (K-8) and peer mediation program for grades 4-8. Through a school safety grant, we are able to provide two full-time officials, a school resource officer and a probation officer to teach law related education and offer after-school activities such as 'Wake-Up Club' and 'Teen Court,' and develop positive relationships with students and community. Prevention specialist provides whole group counseling services.

Total number of incidents that occurred on the school grounds for school year 2005-06 that required the intervention of local, state or federal law enforcement (A.R.S.15-746.6) :

The Arizona School Report Card was prepared by the Arizona Department of Education using a standardized format to combine information provided by the local school with data compiled from state records. Each school has special strengths and needs, and all schools benefit from the active involvement of parents in their children's education. If you have questions about the report card or need more information, contact the school office. Arizona School Report Cards can be found for all schools at [www.ade.az.gov/srcs](http://www.ade.az.gov/srcs) on the Internet. "The Arizona Department of Education of the State of Arizona does not discriminate on the basis of race, religion, color, national origin, sex, disability or age in its programs, activities or in its hiring and employment practices. If you have questions or grievances related to this policy, please contact the Administrative Services DAS at (602) 542-3186."

## ACHIEVEMENT PROFILES

Arizona's Achievement Profiles capture the performance level of every school.

### DEFINITIONS:

Failing to Meet the Academic Standards - needs to meet state performance and state progress goals.

School performance has been designated as Underperforming for three consecutive years and a site review determined that the designation of Failing to Meet the Academic Standards was warranted.

Underperforming - needs to meet state performance and state progress goals.

Performing - meets state performance goals.

Performing Plus - above state performance goals, however the number of students exceeding the standard on the AIMS test is not sufficient to earn a highly performing or excelling label.

Highly Performing - above state performance goals or has demonstrated adequate improvement, in addition a significant number of students have exceeded the standard on the AIMS test.

Excelling - significantly above state performance goals, in addition a significant number of students have exceeded the standard on the AIMS test.

2 Under ARS 15-816, school district governing boards must implement open enrollment programs and establish policies covering admission criteria, application procedures and transportation provisions. For more information, contact the school district office.

3 Arizona's Instrument to Measure Standards (AIMS) includes the reading, writing and mathematics subject areas. The proficiency levels include: Falls Far Below (FFB) the standard, Approaches (A) the standard, Meets or Met (M) the standard and Exceeds (E) the standard. MSS = Mean Scaled Score. The federal law, No Child Left Behind, requires disaggregation in subgroups and ethnicity. NC= Not Calculated. Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten (10) students have been replaced with NC. For more information on testing and Arizona Academic Standards go to <http://www.ade.az.gov/AIMS/default.asp>
